*To the company Hami Ab Baspar*

*Respectfully, hereby I express my satisfaction with the cooperation with that company in realizing the delivery schedule and the quality of HDPE Geomembrane with a thickness of 2.00 mm and a width of 7.50 m in accordance with GM13 standard with an area of 100,000 square meters, which is produced by Hami Ab Baspar company and will be used for waterproofing The earthen dam located in Aydın Province, Turkey.*

*It is hoped that future joint projects will be implemented while maintaining quality.*

*Best regards,*
